

# A RESOLUTION ESTABLISHING A THREE-YEAR ROAD IMPROVEMENT INVESTMENT TARGET

## Pelican Township Board Resolution No. 2026-01

### Purpose

The purpose of this resolution is to create a targeted investment strategy for the maintenance and improvements of the Pelican Township roads. It establishes a target investment amount that can be allocated to roadwork in future budget cycles unless unforeseen emergency expenditures adjust the board's focus and priorities.

### Resolution

WHEREAS, the Pelican Township Board of Supervisors is responsible for maintaining safe, reliable, and cost-effective township road infrastructure; and

WHEREAS, continued and planned investment in township road infrastructure is necessary to ensure public safety, efficient emergency access, and long-term cost control; and

WHEREAS, the Board desires to establish a multi-year funding target to guide budgeting and planning for road improvements;

NOW, THEREFORE, BE IT RESOLVED, that the Pelican Township Board of Supervisors hereby commits to target investing Eighty Thousand Dollars (\$80,000) per year for each of the next three (3) fiscal years, for a total planned investment of Two Hundred Forty Thousand Dollars (\$240,000), toward road improvements within Pelican Township.

BE IT FURTHER RESOLVED, that this investment target shall be considered annually as part of the township budgeting process and funded subject to available revenues, and that the funds shall be used for road maintenance and improvements as determined by the Board.

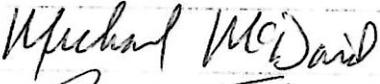

### Effective Date

This resolution is effective as of February 10, 2026.

PELICAN TOWNSHIP
